WHO WE ARE

Franco Theatro Academy is a creative educational academy and social impact initiative that combines language learning, theatre, performing arts and community inclusion to create meaningful and transformative experiences for children and young people.

Through innovative, experiential and artistic approaches, we develop not only language skills, but also confidence, creativity, communication, teamwork, leadership and social responsibility.

COMMUNITY INCLUSION

We bring students together with people with disabilities, orphans and community groups.

- Awareness Theatre
- Inclusive Folkloric Dance
- Inclusive Community Activities

Our vision: turning inclusion from an idea into a shared experience.
